POWER BLAST 95

SIZE - 750ml

HEAPBS95750

- Contains over 95% alcohol
- High pressure cloud spray
- Fills a large area with one spray blast
- Leaves an anti-bacterial layer on all surfaces
- Effective against 99.99% of bacteria, yeast & enveloped viruses including coronavirus and SARS coV-2
- Conforms to BS EN 1276, 1650 and 14476

POWER BLAST 95 produces a large cloud spray of anti-viral solution that leaves the room sanitized, fresh and clean.

Active ingredients are effective against 99.99% of bacteria, yeast and enveloped viruses including coronavirus and SARS coV-2

Highly suitable for spraying into large areas such as pick & pack areas, warehouses and store rooms.

For best results -

- Shake can well before use.
- Do not use when humans or animals are in the area.
- Spray around in long blasts into the area to be sanitized.
- Allow the spray to work for 15 minutes.
- After use, allow room to ventilate for a further 15 minutes.
